"Cultivation of mind should be the ultimate aim of human existence" -Dr. B.R. Ambedkar

MESSAGE

I am extremely happy to know about the active role played by the Editorial Board of DIT University for bringing out the quarterly newsletter Aarohan, December issue. Apart from sharing the academic achievements of our faculty and students, the newsletter has been actively projecting the various technical and cultural events being organised in our campus chronologically. Let us all work together to continue our dedicated services to help our great University reach even greater heights and bring laurels through the committed services of faculty and students alike.

Prof S Swaminathan
(PRO VICE CHANCELLOR)

FLAVOUR OF THE MONTH

As the chilly winds from the mountains swept the university grounds, the campus found itself entering the celebrations of the festive season. The arrival of autumn was welcomed by the students as well as the faculty members by participating in events like blood donation, closely followed by the annual prize distribution that raised spirits.

Meanwhile, the international day for the eradication of poverty was observed where parcels of happiness were given away as goodwill by the students. Amidst the falling temperature, went on the tentative season for the aspiring final year students as technical firms like Agile, Murugappa, Fella Homes and many others set foot on the campus with job offers to reward their toils. Heat went an all time high with the much awaited three day extravaganza -the cultural fest, with the grand opening and closing ceremonies that brought not only countless platforms for the exhibition of talents but also numerous modes of refreshment. Shortly arrived another round of revelry as the whole campus glowed bright and beautiful immersed in the festival of light. The merriment temporarily wrapped up as the academic fever took over the students, only to resume a few weeks later with a freezing yet blessed Christmas celebration and the alumni meet.

YOUTHOPIA'16

Youthopia- an annual cultural and technical fest organized by DIT University, Dehradun with the aim to enhance creativity and technical skills among the students- was inaugurated on October 20, 2016 by Additional Chief Secretary S Ramaswamy. Various activities like crescendo, dramatics, dustbin painting, matkifod, kite-flying, gully cricket and treasure hunt were organized during the fest alongwith technical events like wild soccer, line follower and Robowars.

The famous troupe sensation "Band of Boys" performed on October 20, 2016 after the much-applauded DIT University "Fashionista." Chintu Bhosle entertained the crowd on October 21, 2016. The fest concluded with the performance of acclaimed singer Javed Ali on October 22, 2016 and Prof KK Raina congratulating the students for organising it.
