

# Join us in Celebrating DIT University's Silver Jubilee!

Department of Electrical and Electronics  
& Communication Engineering

Presents

**Hands-on Workshop for Polytechnic  
Students: Solar/Wind Power, IoT, and  
PCB Design**

 July 10-15, 2023

## Topics:

- Solar and Wind Power Systems
- IoT and Sensors
- Automatic PCB Designing

## Highlights:

- Hands-on training sessions
- Interactive learning environment
- Certificate of Participation
- No Registration Fee
- Hostel facility at nominal cost
- Limited seats available
