AN INSIGHT OF MONTHLY HAPPENINGS

## COLLEGE KE TASHANBAAZ BY 93.5 REDFM

93.5 RED FM launched the first edition of its pan India talent hunt, College Ke Tashanbaaz across 13 cities on the 15th of September, 2018. As the name suggests, the contest is an endeavour to sort out the best talent from several colleges across the country. The winners will then be invited to show their talent to engage and connect with the listeners. The management of 93.5 RED FM, Dehradun alongwith RJ Atishay and RJ Aakriti, hosted a segment of the All India Talent Hunt- College Ke Tashanbaaz on the 15th of September at DIT University. Several students performed an array of activities which included singing, dancing, recitation, playing the wind and percussion instruments, and beatboxing. The two best performers of DITU, Rachit Singh and Aastha Tewari of B.Tech CSE 3rd year, got selected to represent our college in the Inter College Round and were also felicitated by the RED FM team.

## HIMALAYA DIWAS

An initiative was started in 2010 by a group of noted environmentalist and activists including Sunderlal Bahuguna, Anil Joshi and Radha behan to promote Himalayan diwas. Himalaya Diwas is celebrated to spread the message that solutions for sustainable development and ecological stability for the Himalayas must be as unique as the Himalayan ecosystem itself.

This year on 9 september that is on the occasion of Himalaya Diwas, a NSS outreach program was hosted by NSS unit of DIT university at Rajkiya Inter College Kishanpur. Dr Jabrinder Singh Sir and Dr Naveen singhal sir enlightened the students of the school on major challenges facing the Himalayas such as harmful effects of polythene, increasing population ,rampant urbanization ,unchecked deforestation ,melting of glaciers and other ecological disturbances such as the Kedarnath disaster.

The NSS unit also organised an art and a debate competition for the students to demonstrate their talents and calibre .Students displayed their vivid ideas by putting up a healthy competition in the form of an argumentative debate.

DIT university looks forward to conduct many more awareness programs like these to educate the upcoming generation and create a friendly environment.

## TEACHER'S DAY CELEBRATION

---

A teacher is someone who opens a school door, closes a prison. To raise a toast to the teachers who affect eternity and whose influence is unfathomable, DITU zealously celebrated Teacher's day on 5th of September, 2018.

The celebration commenced by kindling the ceremonial lamp, for seeking the choicest blessings of goddess Saraswati.

The event proceeded with edifying addressing by the university dignitaries followed by cultural programmes.

TEACHER'S DAY CELEBRATION

Scholars had earnestly worked for making the celebration a success which was vividly reflected by their stagings. The finest moves and beats made the day indeed a HAPPY teachers day for our mentors! Speeches enriched with gratitude and appreciation towards our guiding lights further elated the gala episode. With eyes gleaming with gaiety and cheer, 5th of September wrapped on a happy note.

## “EVERY ARTIST WAS FIRST AN AMATEUR”

---

Art is a way of life, it's not just colours. Every stroke signifies different shades to different people. On the 7th of September 2018, the faculty of the Architecture and Designing department conducted a workshop on Sketching and Rendering with water colors.

The alumni Mr. Navanil Chattopadhyay bestowed the 1st year students with his immense knowledge on colours. Every little brush stroke, shade and sheet makes a huge difference in a painting. From rendering on plastic sheets and wooden pads to using soft pastels, each topic was enthusiastically carried out by the students. The workshop ended with every student making a painting of their choice, using mixed media and expressing their views and feelings.
