MADE IN DIT

Made for the World

INTRODUCTION

It is our privilege to introduce Dehradun Institute of Technology, Dehradun which is recognized as one of the leading Institutions for enabling its students to achieve a high-quality learning experience in a stimulating environment. Highlights given in our college profile are a testimony to our commitment.

With a rich heritage spanning two decades, DIT University (erstwhile Dehradun Institute of Technology, Dehradun established in 1998), the flagship of the Unison group has been reestablished as full-fledged state University by Govt. of Uttarakhand vide Act No.10 of 2013 dated 15 February 2013[3] and is recognized by the UGC [4] under section 2(F) of the UGC Act, 1956.

It is situated in the beautiful backdrop of the Himalayan foothills at the heart of education, Dehradun.

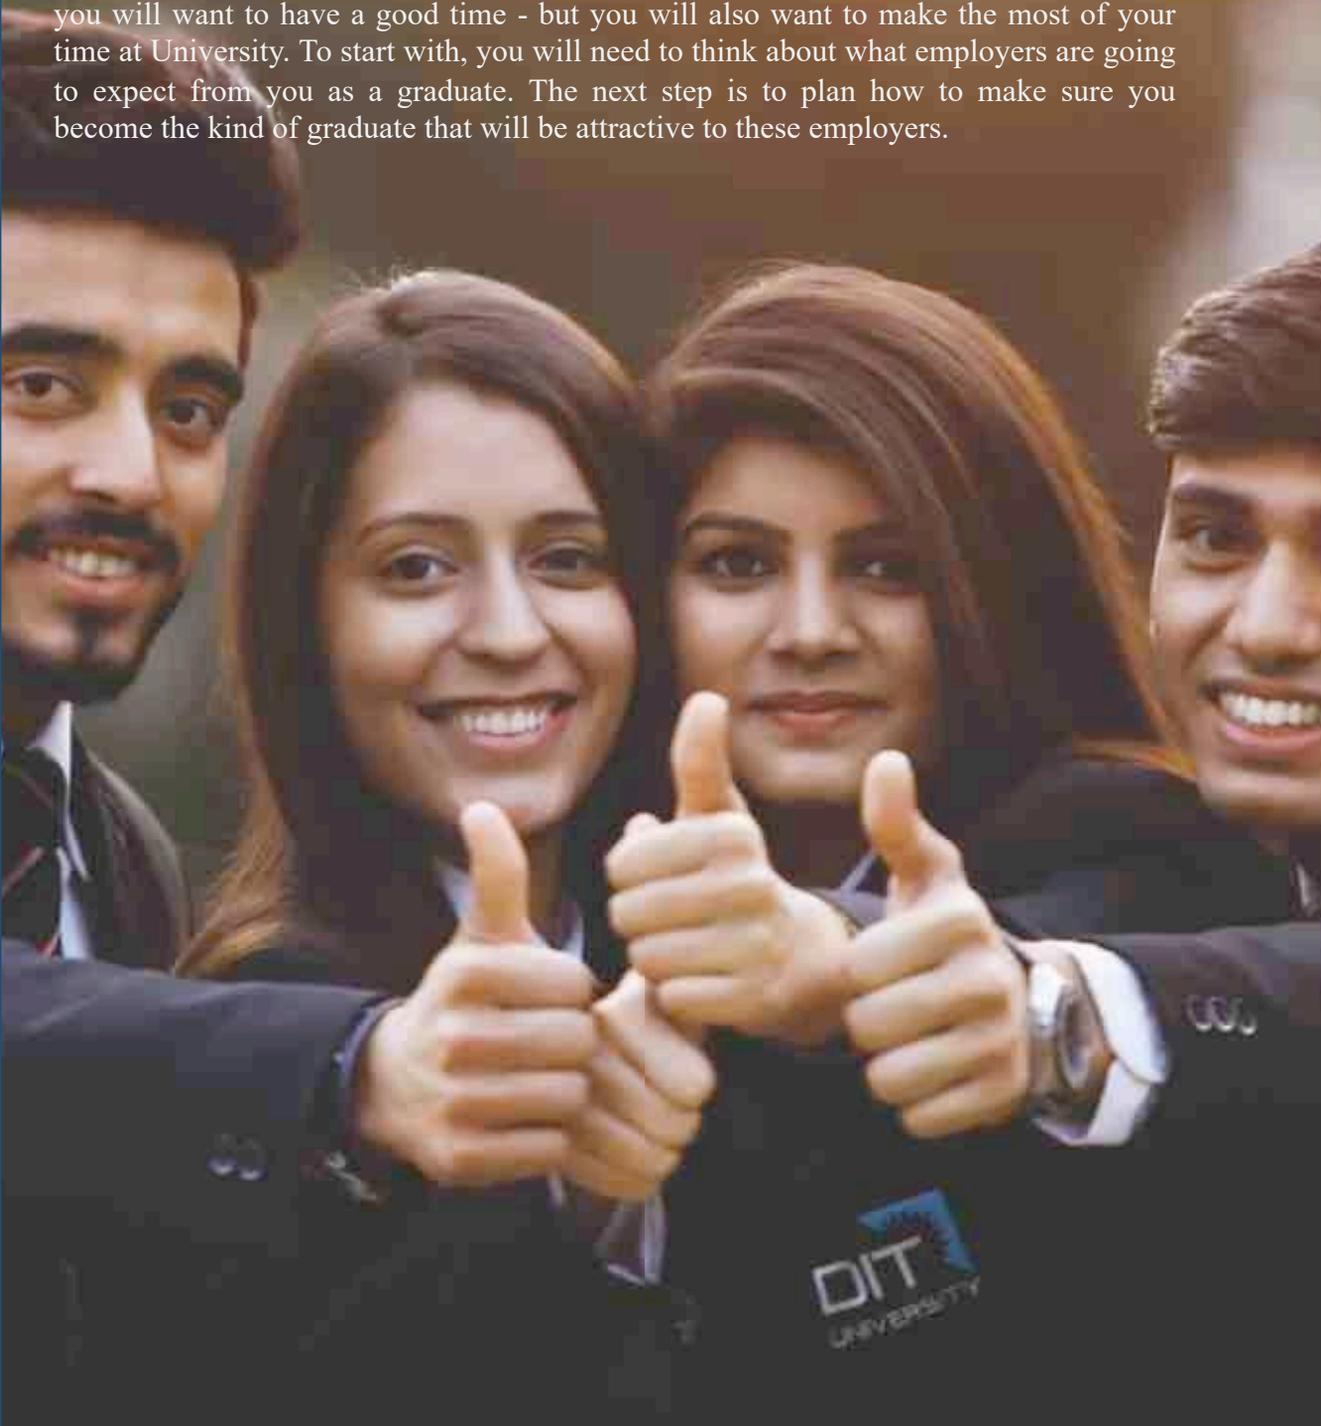

DITU's modern 21-acre campus supports a diverse student population of over 6500+ students with students from across the country and some international locations.

The university offers various undergraduate and postgraduate programs in the technical space like Computer Science, Information Technology, Electronics & Communication, Mechanical, Civil, Electrical, Petroleum Engineering, Architecture, MCA and Pharma and a generic MBA with specializations in Marketing, HR & Finance as well as the new age domains of Business Analytics and Digital Marketing & Logistics & Supply

YOUR EMPLOYABILITY

When you come to DIT University, it is time to start looking at the future. Of course you will want to have a good time - but you will also want to make the most of your time at University. To start with, you will need to think about what employers are going to expect from you as a graduate. The next step is to plan how to make sure you become the kind of graduate that will be attractive to these employers.

UNIVERSITY CAREER SERVICES

Career Services Department (CSD) a team of Young, Energetic, Go-getter, and Goal Oriented Professionals. The department functions round the year to achieve the dreams and goals of budding professionals at the University.

Career Services Department is an interface between the Industry and Academia to streamline the placement and related process for students. A strong Industry-Academia Interface is the *KEY* for the success of a department like CSD.

The role of career Services department is immensely important to establish this milestones year on year and create a sustainable model for all of our graduates in their future professional world. We strongly believe that classroom education is not enough to face the upcoming future challenges and whirlwind dynamics of the corporate world. Over few years we have been observing a great deal of changes in the disruptive corporate world and their recruitment patterns. Most of them are only looking at highly skilled manpower with innovative minds and readily deployable from day one. The Team Career services consists of officials with varied industry connects are closely working on this space and integrating with academics to incorporate lots of good practices to address this needs Chain Management. It also offers doctoral programs through its well established respective departments.

MESSAGE FROM ASSOCIATE DEAN CAREER SERVICES

Mr. Saurav Badoni
Associate Dean Career Services

Career Services Department is dedicated towards proper placement of students .It advices students on career options and provides the latest information on training & employment opportunities.

Focus areas are providing guidance, counseling and bringing students and potential employers together to acheive the best possible placement depending on the market conditions .The department looks after the interest of the students and the employers by providing them the necessary platform.

There is a remarkable growth in industry connect programs by virtue of guest lectures by industry stalwarts , summer trainings & Industrial visits at some of the prominent industry hubs, a specialized intensive career development program ,which itself is a big booster for students to shape up their career well before they graduates . We have been experiencing an encouraging growth in placements through our valued recruitment partners in last few years and added few top recruiting companies over a period of last few months, as a continuous outreach development program.
