08 July 2021

NOTICE

Subject: Employability Enhancement Program (EEP)

Attention: Students of B.Tech & B.Pharm (7th Semester) / MCA (3rd Semester) / B.Arch. (9th Semester) / BCA, BSC (H), BA (H) (5th Semester)

The above students are hereby informed that the Employability Enhancement Program (EEP) will be held from 19 July to 03 August 2021.

The objective of the EEP is to brush up on concepts of aptitude and enhance the analytical and interpersonal skills of students to make them ready to face various placements exams / interviews. It will also help them learn personality development techniques by enhancing their GD and PI skills. Mock Placement Exams will test and improve students by Feedback Sharing & Error Correction.

NOTE:

- 1. It is mandatory for all the above mentioned students to attend the Employability Enhancement Program (detailed schedule will be shared shortly).
- 2. Post EEP, AMCAT assessment will be conducted for B.Tech, BCA and MCA students.
- 3. The EEP will run in online mode on MS-Teams. Students will be assigned batch (as per the schedule) and will be added to their respective MS-Teams.

To:

• All Deans / Directors/HoDs

With the request to bring the above to the notice of the students

VAT-02: Employability Enhancement Program (EEP)

Date –19th July- 3rd Aug 2021 **Timings** – 09:30 a.m. to 5:00 p.m. **Platform** – MS Teams (Online)

DIT University has always believed in delivering the best to its students and preparing them to be ready for their professional life and careers ahead. To enhance and polish the skills of our 4th year students an employability enhancement training program was conducted for them by the Career Development Center. The training was planned for all the students of final year from all the domains, the training was scheduled during their summer eak starting from 19th July'21 to 3rd Aug'21.

The training was run on workshop mode engaging the students throughout the day preparing them for various job oriented exams. A total of 1078 students participated in the training program.

Objective of the Training program:

- 1. To enhance the employability of our students as per the industry requirements.
- 2. Train the students on skills which will help them in increasing their presentation skills and manual efficiency making them efficient to adapt and adjust to the new working environments of their career ahead.
- 3. To encourage new and innovative skills in the students, required for the competitive world.

Parious sessions were covered up during the training program.

Quantitative Aptitude: The topics covered in quantitative aptitude were

- Time & Work and Pipe & Cisterns
- Simple and Compound Interest
- Profit and Loss
- Number System
- Permutation and Combination/Probability
- Time, Speed and Distance

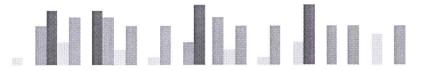

Logical Reasoning: To topics covered in logical reasoning were:

- Direction & Distance
- Number Series & alpha numeric series.
- Binary logic
- Set Theory
- Blood Relation

Aspiring Minds' Campus Analysis Report

DIT University, Dehradun (B.Tech/B.E., MCA, BCA, 2022)

Aspiring Minds Assessment Pvt. Ltd.

Study of Students' Employability and their Performance in AMCAT

Tel: (91) 124 4148777

Aspiring Minds Assessment Pvt. Ltd 323 Udyog Vihar, Phase II Gurgaon, Haryana 122016, India

Purpose of this Report

The Aspiring Minds Campus Analysis Report provides a detailed analysis of the student quality and their employability in the industry. Our aim is to produce a report which is useful to the campus and includes a comprehensive comparison across different degrees, streams and batches. All such analysis will serve as an employability checkup for students and accordingly, the administration can prioritize its efforts to increase the overall student employability.

The various sections of this report give a broad view on numerous aspects related to the performance of students. These sections contain tables and charts which have been constructed after an in-depth analysis of AMCAT assessment data collected from your campus. We evaluate your students' performance in comparison to the nation-wide norms, which are calculated from a sample of entry-level job-aspirants over 22 states across India. This comparison reveals those areas in which your students fare better (or otherwise) than the average student assessed by us, and determines the employability of the students in diverse industries. This report will give a clear picture of the employability status of students eligible for the listed companies and also help the institute to improve on the weak areas figured by Aspiring Minds' analysis.

We also provide an intra-campus analysis to give an overview of the characteristics of top performing students in comparison to the rest, such that appropriate measures can be taken to help the low performers fare better.

On the basis of our analysis, we suggest certain recommendations for your campus. We are certain that these recommendations will help DIT University, Dehradun march towards its goal of providing excellent education to the students, which will result in better employability. Our recommendations, if properly implemented, will also help increase the standing of the campus amongst prospective students.

Introduction

This report is based on the results of AMCAT assessment conducted at your campus on 3rd August 2021 where a total of 600 students were tested. AMCAT is a two and half-hour adaptive test with multiple modules including aptitude, domain skills and personality assessment. It is India's largest employability test and is taken by more than 30,000 students every month. Being India's only adaptive employability test, it is used as a benchmark for hiring by several companies across India. The details of AMCAT assessment are as follows:

AMCAT Modules

- I. English Comprehension
- II. Quantitative Ability
- III. Computer Programming
- IV. Electronics and Semiconductor Engineering
- V. Financial and Banking Services
- VI. Mechanical Engineering
- VII. Electrical Engineering
- VIII. Civil Engineering
 - IX. Logical Ability
 - X. Aspiring Minds Personality Inventory (AMPI)

I. English Comprehension

Familiarity with the English Language in its various nuances is an essential skill, especially in the current climate of global networking. Ideally, any recruitment should involve a test of skills in handling the language in ways that promote the objectives of the company. Needless to state, an appropriate test is necessary.

Our English test uses a variety of internationally standardized resources for framing questions aimed at determining the candidate's ability to a) understand the written text (b) comprehend the spoken word and (c) communicate effectively through written documents. The test broadly covers the following areas:

- a. A wide-ranging vocabulary to cope with general and specific terminology.
- b. Syntax and sentence structure, the incorrect use of which distorts meaning and becomes a communication hurdle.
- c. Comprehension exercises designed to test a candidate's ability to read fluently and understand correctly.
- d. The ability to understand and use suitable phrases, which enrich the meaning of what is conveyed.

Time management and accuracy in conformity with the examiner's criteria.

II. Quantitative Ability

Tel: (91) 124 4148777

Tel: (91) 124 4148777 Email: info@aspiringminds.in

- 4. Opamp based circuits and analysis
- b. Digital Electronics
 - 1. Boolean Algebra, Minimization of Boolean Functions
 - 2. Implementation and Analysis of logic gates
 - 3. Sequential blocks flip-flops and latches
 - 4. Digital Circuits and Blocks
 - 5. State Machines and design of Complex sequential circuits

V. Financial and Banking Services

In the current market, there are a number of employment opportunities in development, analysis and sale of financial products. All these profiles require, in some proportion, theoretical and practical knowledge of Finance. This module is targeted to test the skills of the students with regard to these job profiles.

The module consists of testing basic understanding of macroeconomics, finance and taxation. Apart from these, it tests the understanding of markets, which includes stocks, mutual funds, derivatives and bonds. Keeping in mind the requirement of the industry, the module also contains questions on insurance fundamentals and banking products.

VI. Mechanical Engineering

In this module, a student is tested for his understanding of mechanical engineering - theoretical and practical knowledge. Questions from different areas in this subject are asked so as to assess a student on his complete knowledge of the subject. The test has the following sections:

- a. Manufacturing Science
- b. Thermodynamics & IC Engines
- c. Fluid and Machine Mechanics

VII. Electrical Engineering

The Electrical Engineering module has been designed to assess a candidate's knowledge working in power sector. The module is meant for B Tech. students who may be freshers or the students who may be exposed to industry for one to two years. The module checks for the concepts which would be used by the engineers in everyday working. The module consists of both conceptual and practical aspects of the subject.

VIII. Civil Engineering

Civil Engineering module assesses a student's skills, knowledge and understanding of the core ideas involved in the branch of civil engineering. The module focuses on testing a student on theoretical knowledge and practical concepts which will help him perform a good job as an engineer in the industry.

Tel: (91) 124 4148777 Email: info@aspiringhindsdu

AMPI traits are:

- a. Extraversion
- b. Conscientiousness
- c. Emotional Stability
- d. Openness to Experience
- e. Agreeableness

Score Interpretation

All scores lie between 100 and 900. The scores are normalized on a Gaussian curve using statistical techniques. The scores follow global standards of validity and reliability. They are valid for three years and remain consistent on repeat testing unless the candidate's ability improves because of sustained long term efforts.

Percentile Interpretation

The percentile of the candidate is calculated over a National average group based on the percentile of all students tested by Aspiring Minds. Several statistical studies conducted demonstrate clearly that the percentiles are stable for a year and will not vary more than two percentile points. The percentile is a very important metric and gives an idea of the candidate's rank in comparison with all graduates nationwide.
