Dear Sir,
Greetings of the day!

Please find attached the Attendance of the last week of EEP2. Would request for time till next week, precisely Wednesday, we'll share the complete EEP report with Attendance, Feedback and overview, Also, since the students who sat for EEP are appearing for the Placement drive, it is not possible to make them sit for a test. Initially an online test was scheduled for August 03, but because of their occupancy, it couldn't be taken. However, we are sending them a google form for the feedback that they can fill and share at their convenience. Will share the report with you as soon as we have compiled it all.

Also, owing to more students registering for the AMCAT Post assessment, we have requested HOD CSE to replicate the August 06 schedule on August 07 also. He has given the confirmation. Would request you to consider the AMCAT Post assessment report as a testing tool for this program for now.

Dear Sir,

Greetings of the day!

A total of 586 registrations have been received for AMCAT Post Assessment for August 06 & 07 via the Google form shared. The link has been closed as stated.

However, some students had requested to register as they were occupied with Placement drive, have given them email ID with format to send the request. Will share the total number of registrations by the EOD today.

Also, have received invigilation support from CSE, am following up with the rest.

Aspiring minds is all set to conduct the Post Assessment as planned from 02:00 onward. Details have already gone out on the website and email to all concerned week.

Lastly, a few student STPO's had shared their doubts whether it was a Mock or a post assessment, have cleared their doubts and have also ensured to use the term AMCAT Post Assessment in all the communication; website notice or whatsapp groups to ensure singular clarity.

Would request you to share your inputs/guidance on the same.
