WORKING DRAWING

VAT-84 | Duration – 32 Hrs

The Working Drawing Training was conducted for students of B.Arch 3rd Year program, the venue for the training was DIT University, SoAD Architectural Studio, It was conducted by the School of Architecture, Planning and Design, from **28th January 2021 to 15th March 2021**, (5:00 PM to 6:00 PM). The training was conducted in **online mode on MS Team** due to Covid situation and the main trainer for the training was **Ar.Ashok Grover**.

OBJECTIVE:

This three-day course covers building services found in residential and commercial buildings. The course looks at heating and cooling systems, how to use them efficiently and how they fit within a building.

Working drawings and specifications are the primary working documents used by a contractor to bid and execute a project. Specifications are the written documents that go with the construction documents and describe the materials as well as the installation methods. They consist of precisely written documentation that describes a project to be constructed, supplementing drawings and forming part of the contract and describing qualities of materials, their methods of manufacture and installation into the project, workmanship and mode of construction, in addition to providing other information not shown in the drawings including description of the final result.

REQUIREMENT FOR WORKSHOP:

Who can attend this workshop?

- Undergraduate students of architecture
