Memorandum of Understanding

Between

FOREST RESEARCH INSTITUTE, DEHRADUN

&

DIT UNIVERSITY, DEHRADUN

Introduction:

Forest Research Institute, Dehradun herein after referred to as FRI has its roots in the erstwhile Imperial Forest Research Institute established in 1906 to organize and lead forestry research in the country. Its history is synonymous with the evolution and development of scientific forestry not only in India but in the entire Indian subcontinent. The institute also administered training to forest officers and forest ranger in the country and after independence, it was aptly named as Forest Research Institute and Colleges. In 1988, FRI and its research centres were brought under the administrative umbrella of Indian Council of Forestry Research & Education (ICFRE) under the Ministry of Environment, Forests and Climate Change, Government of India. FRI was conferred the status of Deemed University in December 1991 on the recommendations of the UGC, Ministry of Human Resource Development, Government of India. The objectives of the institute include Enhancement of forest Productivity, Improvement of planting Stock, Rehabilitation of Wastelands, Efficient utilization of wood and non-wood forest products, and Development of eco-friendly products and processes. The thrust areas of the FRI are Conservation of biodiversity, Production, Certification and supply of Quality seeds of fuel, fodder and timber species, Social Forestry/ Agro forestry, Conservation and eco-restoration of ecologically fragile and disturbed areas, Utilization of non-conventional wood and weeds for manufacture of forest products; Development of technology for reclamation of wastelands, Planting stock improvement programme of different species. Geological, geomorphological and micro-morphological studies on skeletal and sodic soils, Reclamation and ecological monitoring of mined areas, Development of technology for eco-friendly preservatives, and Forestry Education and Policy Research to meet emerging challenges. Quality policy of the institute is integral to generate and disseminate the knowledge to the consumers, satisfaction of consumer through timely delivery of quality services, and development of human resource through quality education and training

AND

Dehradun Institute of Technology University, Dehradun (hereinafter referred to as "DITU") is a reputed State Private University and approved by Government of Uttarakhand & UGC under Section 2(f). The mission of the DIT University is to put our students first and work responsibly with honesty, transparency and integrity to influence, inspire and nurture talent. The university is known for its holistic quality education, vibrant curriculum, excellent academic ambience, employment enhancement training, excellent placement records and innovation, incubation, entrepreneurship development. Foundation is based on academic excellence and integrity, integration of human values, encourage quest of life-long learning, inculcating global perspective in attitude and appreciation of intellectual excellence and creativity. University offers Diploma, Degree, Master's and Doctoral programs in various disciplines.

Both **DITU** and **FRI** shall be referred to individually as “the Party” and collectively as “the Parties”.

WHEREAS:

- A. The **DITU** and **FRI** are desirous to collaborate in their academic and research activities.
- B. This MoU sets forth the general understanding reached between the two parties and in their recent discussions concerning the academic and research collaboration.
- C. It is the Parties’ intention that the academic collaboration agreement shall have the basic terms set out below, subject to further negotiations with a view to having a definitive written academic collaboration agreement to be entered into between **DITU** and **FRI**.

NOW THIS MEMORANDUM OF AGREEMENT RECORDS AS FOLLOWS:

1. TERM

Subject to the execution by **DITU** and **FRI** of a formal definitive academic collaboration agreement for the proposed academic collaboration which shall contain the relevant terms hereinafter set out and such other terms and conditions to be agreed between the Parties, it is the Parties’ understanding that **DITU** shall collaborate with **FRI** in the areas as set out in Clause 2 for a period of **Five(5) years** (hereinafter referred to as “MoU Period”) from the date of signing of this MoU.

This MoU shall continue in force until the expiry of the MoU Period stated above (“MoU Expiry Date”) or the execution of formal definitive academic collaboration agreement between the Parties, whichever is the earlier. After the expiration of the MoU Period, this MoU may be extended or renewed for a further period to be agreed upon by both Parties in writing.

2. OBJECTIVES and SCOPE of MoU

2.1 The scope and objectives of this MoU is to ensure a mutual understanding of key responsibilities of each Party to promote academic and research exchanges of the following areas:

- Take-up joint Masters dissertation and Doctoral thesis work
- Use of analytical facilities at Chemistry & Bioprocessing Division, **FRI**, Dehradun and Pharmacology facilities at School of Pharmaceutical and Population Health Informatics, **DITU**, Dehradun

- Utilization of library or learning resources
- Participation and collaboration in scientific events
- Student exchange programme in short term courses.
- Faculty research collaboration on topics of mutual interest
- Students for academic, research and experiential training
- Collaboratively apply for funded research projects and research consultancy works

2.2 It is acknowledged that the collaboration between the Parties may be a continuously evolving process and that the terms of this MoU may be amended to reflect accordingly subject to Clause 2.1.

3. RESPONSIBILITIES

3.1 The Chemistry & Bioprocessing Division, FRI, Dehradun and School of Pharmaceutical and Population Health Informatics, DITU, Dehradun agreed to identify various areas of interest and depute faculty on as per requirements.

3.2 Both the parties, will provide research insights, faculty guidance & support, infrastructural support & facilities regarding experimentation for minor and major research projects to the students of both the institutions, symbiotically, for enhancing the quality of research of the students.

3.3 Soft skill development programmes, seminars, conferences, workshops etc. for students of both the institutions shall be organized by both the parties, for skill set enhancement of the students of both the institutions. Such programmes shall be conducted regularly by both the institutions with prior discussion.

3.4 In addition, these parties involve their staff in carrying out other activities, which is not defined here in this MoU, after mutual consultation with prior intimation from the competent authority.

4.0 AMENDMENT TO THE MoU:

No amendments or modifications of this MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to an amendment of this agreement. The modification or change shall be effective from the date on which they are made/ executed unless otherwise agreed to.

5.0 ARBITRATION:

In the events of any dispute or difference between the parties hereto, such disputes or differences shall be resolved amicably by mutual discussion of both

the parties. Now, therefore, for and in consideration of the foregoing premises the parties have signed the memorandum of understanding (MoU) on 27th October, 2020.

6.0 FINANCIAL CONSIDERATIONS

The Parties hereby acknowledge that there may be costs and expenses arising under the terms and conditions of this Memorandum of Understanding and each Party hereto agree to bear its own costs and expenses unless mutually agreed otherwise by both parties

7.0 LIAISON PERSONNEL

The Liaison Personnel contacts from **DITU** and **FRI** may be named and approved by both Parties.

8.0 CONFIDENTIALITY

Each of the Parties to this MoU shall at all times use its best endeavours to keep confidential (and to procure that its respective officers, employees, consultants and agents shall keep confidential) any confidential and Proprietary Information which any Party may acquire from the other Party and/or in relation to the academic collaboration or affairs of the Parties to this MoU and the receiving Party shall not use or disclose such information except with the prior written consent of disclosing Party or in accordance with the order of a court of competent jurisdiction or as required by any regulatory or governmental authority or has been or hereafter rightfully acquired by any Party hereof from third parties without any obligation to keep confidential in Non-Disclosure Agreement.

9.0 INTELLECTUAL PROPERTY RIGHTS

9.1 The Parties acknowledge and agree that any and all patents, copyright, trademarks, trade names, designs (whether registered or not), trade secrets, Confidential Information and other intellectual property or proprietary rights ("Intellectual Property Rights") subsisting in all materials and documentation provided by either Party to the other Party under this MoU or which either Party has access to by virtue of this Agreement, are the exclusive property of each of the respective Parties and no such rights are in any way transferred to either Party during this MoU.

9.2. Either Party shall not, during or at any time after termination of this MoU, in any way claim, question or dispute the ownership of each of the respective Parties to any Intellectual Property Right referred to in Clause 9.1.

- 9.3 Both parties shall share all data and research findings, patent right, copyright and any other Intellectual Property Rights resulting from the cooperative efforts of both Parties subject to clause 9.1 and 9.2 above.

10.0 TERMINATION

During the validity of this MoU, either Party can terminate this MoU by giving Three (3) monthswritten notice for any reason.

11.0 INDEMNIFICATION:

11.1 Subject to the provisions of, and limitations contained in this Agreement, parties shall upon demand indemnify, hold harmless and defend other party and its respective directors, officers and employees from and against any claim, loss (including reasonable legal costs and expenses on a full indemnity basis) or liability incurred or suffered by any of the aforementioned indemnified persons arising out of or in connection with this Agreement, or arising out of non-compliance with any applicable law and rules or regulations related to its obligations under this Agreement or due to non-arising from any suit, action or proceeding by any third party against any of the indemnified persons, as a result of or in consequence of any act or omission of whatsoever nature of the University, its employees, representatives and staffs, including without prejudice to the generality of the foregoing, any complaint or loss or damage or claim for compensation arising out of the infringement of third party IPR or for providing incorrect or misleading content or for breach of its obligations by the and / or connected activity whether or not such act or the omission or accident or loss or damage was due to any negligence, natural calamities, want of care or any misconduct of the Hospital, its employees, representatives, sub-contractors and staff.

11.2 This Clause shall survive any termination or expiration of this Agreement.

12.0 MISCELLANEOUS:

12.1 In the event any change in any law, or the passage of any law, rule or regulation affects, or in either Party's reasonable determination, may affect, either Party's performance or obligations under this Agreement, the Parties shall work together in good faith to amend this Agreement so as to minimize or eliminate; the impact of such Changes in Law on a Party's performance or obligations under this Agreement.

12.2 This Agreement constitutes the entire Agreement of the Parties and supersedes all previous oral or written negotiations, understanding, letter of intent and agreements relating to the subject matter hereof. There have been no representations or statements, oral or written, that have been relied on by any Party hereto except those expressly set forth herein.
