

**U**nited Nations' Sustainable Development Goals (SDG) promote the notion 'Ensure healthy lives and promote well-being for all at all ages' through SDG 3. Good Health is essential to render any service to society and humanity. It is the very basic requirement of individual and irrespective of persons at any level in society must get access to quality health care services, sufficient and necessary education to promote awareness about health. In addition to that, clean environment, purity in resources, hygienic work environment are essential for achieving this goal. DIT University is committed to achieve this goal by providing necessary education, free access of healthcare services, awareness campaign and collaborative research work with Government and Non-Government agencies.

## **Outreach Activity for University and Wider Community**

DIT University delivered a number of outreach activities for the benefits of the local community involving pharmacy students to improve health awareness and wellbeing in the people. Some of these programmes distributed sanitary kits, mask, health kits, dental kits and hand soaps etc. Apart from these, in World Pharmacist Day, students and faculty actively participated in distributing needful to the orphanage home and stationary, food items, and fruit juices to the needy people. DIT University Faculty of Pharmacy organized a one-day seminar on Road Safety Guidelines for Pharmacy students under the aegis of Dr. B.K.S. Sanjay, and Dr. Gaurav Sanjay, an Orthopedic and Spine Surgeon. Also, DIT University arranges various health awareness programs on World Tuberculosis Day, World Hypertension Day.
