

DIT University Event Report

SDG 3

United Nations' Sustainable Development Goals (SDG) promote the notion 'Ensure healthy lives and promote well-being for all at all ages' through SDG 3. Good Health is essential to render any service to society and humanity. It is the very basic requirement of individual and irrespective of persons at any level in society must get access to quality health care services, sufficient and necessary education to promote awareness about health. In addition to that, clean environment, purity in resources, hygienic work environment are essential for achieving this goal. DIT University is committed to achieve this goal by providing necessary education, free access of healthcare services, awareness campaign and collaborative research work with Government and Non-Government agencies.

DIT University Event Report

University Sports facilities sharing with local community

In current past, DIT University organized sports activities with local community, where students from local schools, colleges participated, enjoyed and cheered the session. The local community also participated and enjoyed the event. The DIT University students from pharmacy, Physical sciences and Engineering actively participated and enjoyed the events. This activity has brought a lots of fun among the students and community people and make the event great success.

DIT University is also having policy to share its resources including sports facilities with local communities and educational institutions.
