

THE CAMPUS SCOOP

AN INSIGHT OF MONTHLY HAPPENINGS

ANNUAL CONVOCATION

DITU's 2nd Annual Convocation was held on 1st December, 2018 in the campus premises. The chief guest for the Convocation was the honourable chief minister of Uttarakhand, Mr. Trivendra Singh Rawat and the guest of honour was the minister of higher education, Dr. Dhan Singh Rawat. Also, in attendance were other dignitaries from the university, academic world and the government.

The Convocation began with a majestic and grand academic procession followed by recital of mantras by the priest, lamp lighting and the DITU Kulgeet sung by the students. The students and the audience were then enthralled by the rousing speech of the Chief Guest and the Vice Chancellor.

A scintillating award ceremony was also part of the Convocation, with awarding the coveted gold medal to the student who topped all the branches. Several other awards were also distributed. The graduates were also awarded certificates by the Senate and other dignitaries. Then the gold medalist DITian lead all the graduates taking the academic pledge. The Convocation ended with a vote of thanks, followed by the National Anthem sung by the students of the university.

SMART JOULES WORKSHOP

It is amazing how much of an impact a simple piece of code can have on the lives of countless people. Smart Joules is an upcoming organization that helps bring around 300 million Indians out of energy poverty by eliminating wastes in their operations & simultaneously saves money and improves comfort for the less fortunate. At Smart Joules, a team of engineers, mathematicians and designers are on a mission to prevent energy wastage through Internet of Things and Artificial Intelligence.

A workshop was held in the university premises on October 14, 2018 by IEEE chapter of DITU. The session was headed on 'Embedded systems for IoT Devices and Development'. Harsh Joshi, Head Development and Product Development; Farogh Iftekhar, Head Embedded Systems and Amit Phulera, SDE Team Head, representatives from the company held this session and carried out a well passionate workshop.

DIT AWARDED AS BEST PRIVATE ENGINEERING UNIVERSITY-2018

The DIT University bagged the award for the best private engineering University 2018 at uttarakhand educator's summit on 12 December, 2018.

All the institutions were rigorously judged on various parameters by a team of top academicians. The award was given on the basis of a very scientifically and logically designed model that satisfied the following criteria :-

- Parameters also included top management's commitment to quality and academic leadership, human resource, computational resource, internet connectivity, laboratory infrastructure, lecture hall infrastructure, academic process, faculty and staff satisfaction, student satisfaction, implication on society, academic results and placement results.
- A record of outstanding teaching effectiveness both within and outside the classroom.
- A pedagogical approach that is innovative, creative, intellectually rigorous & engaging.
- The ability to sustain, inspire & promote the intellectual development of the students.
- Number of awards that the institute has received.
- Contribution to developing or enhancing curricular field.
- Length of the service of the institution.

The purpose of this academic award was to recognize outstanding performance of some of the best institutions in the state of uttarakhand. Thus DIT University emerged as the best engineering University 2018, by proving its merit and constantly striving to give the best to its students.

GHRDC REPORT

DIT University has been ranked as the 6th best architecture University in India by Global Human Resource Development Centre. The GHRDC has been consistently maintaining its reputation for being a major research based organization for ranking graduate schools across the globe, since the 90s. The Faculty of Architecture of DITU received a tremendous score in Faculty and Research along with a high score in Course Structure and Industry based approach. The 10-semester long course has on-site activities to enhance practical knowledge apart from the theoretical curriculum and gain hands-on experience. GHRDC also congratulated the university for laying great emphasis on imparting an education that puts sustainable and appropriate architecture at its core, especially in the areas of systemic and ecological developments of habitation and urbanisation in the Himalayas.

Group Rank	Name of the Architecture College	Infrastructure (Physical & Academic) (250)	Faculty, Research, Consultancy, EOP & Other Programmes (150)	Admission, Curriculum & Delivery Systems (150)	Industry Interface, Networking, Social Responsibility & UOP (150)	Total Sc (1000)
1	Karnataka	184.48	189.16	185.00	75.50	634.14
6	Faculty of Architecture, DIT University, Dehradun, Uttarakhand	184.48	189.16	185.00	75.50	634.14
7	Faculty of Architecture and Planning, Lucknow, Uttar Pradesh	184.71	185.54	181.00	73.56	624.81
8	Kongu School of Architecture, Perundurai, Tamil Nadu	180.07	179.91	183.18	71.13	614.29
9	Vaishnavi School of Architecture and Planning, Hyderabad, Telangana	179.41	176.45	180.00	68.25	604.11

YOUTHOPIA 2018 ANNUAL TECHNO-CULTURAL FEST

DIT University held its Annual Techno-Cultural Fest 'YOUTHOPIA 2018' on November 22-24, 2018.

Youthopia'18 was an array of cultural and technical extravaganza. From the newly introduced dance face-offs to the traditional matki fod, this year's techno-cultural event, offered a great variety of fun & frolic to engage in. Spanning for over 72 hours, there were numerous activities and events to participate in. All came, participated, won exciting prizes and made memories for a lifetime. Be it racing their robots or painting faces, representing an assembly constituency or choosing their team for the next IPL, solving the mystery or simply playing their favourite childhood games, Youthopia'18 was the most engaging and eventful time of the year. Getting involved in the most awaited event, DITians did not only get to enhance their technical skills but also got a chance to nurture their talent. And when the sun went down, faculty and students, all came to groove to the beats of DJ Maddy and DJ Candice Redding and sing along with the Meet Bros. This grand festival witnessed the participation of over 8000 students from host University and 2000 students from other Colleges/University, extended the perfect blend of competitive zeal and enthusiasm.

On the great tongues of men

On the great tongues of men,
Why isn't there a word of
peace?
Starting from the nephews to
the harpy niece.
Great people of hatred love
and care,
Where has all that affection
gone?
Is it all bare?
The ordinary citizens are
becoming bereft,
And living in the world of
robberies, dacoits and thefts.
Why don't we put behind the
bellicose nature?
And live happily in the world
of soulful creatures.

ALUMNI MEET 2018

The evening of 1st December 2018 witnessed a walk down the memory lane, an alumni meet. The gala hours rejuvenated each individual's soul reviving their fond memories of their alma mater. DIT often conducts alumni meet in order to reconnect with the Alumni and celebrate their success and various achievements. The evening's programme commenced with an invocation followed by lighting of the lamp.

A welcoming speech was delivered on behalf of the university giving information about current happenings and developments in college. The occasion was graced by Alumni ranging across various pass out batches and from various parts of the country. The ex students spoke about their experiences in the college. The annual alumni meet witnessed the active involvement of alumni, and a number of commendable suggestions and proposals came up. Refreshment arrangements were also made by the college. This walk down the corridors of nostalgia wrapped on a happy note with overwhelming emotions and inspiring aspirations.
